

Protect and Enrich Your Newly-Seeded Lawn With Natural Ultra Nu-Straw

NEW for 2010! Ultra Nu-Straw Processed Straw Mulch

New from **AmTurf**[®], creators of **Ultra Lawn Patch**[®], is **Ultra Nu-Straw** — an enhanced natural straw product to apply on newly-seeded areas to enhance growth and reduce watering. Ultra Nu-Straw contains special bonding agents that helps the straw hold together and provide protection from erosion on slopes, heavy washout or windy areas in a earth-friendly way.
